COOPER RETURNS FROM CONVENTION

APPOINTED A MEMBER OF EXECUTIVE COMMITTEE

RICHARDSON ATTENDS

Vitalized Agriculture Gains Interest Among Representatives From Throughout the State.

County Superintendent of Schools Bert Cooper returned this morning from Jefferson City, where he has been attending the annual convention of the County Superintendent of Schools of Missouri, for the past week.

While at the convention, Mr. Cooper was appointed a member of the executive committee of the organization. The committee is composed of a representative from each of the five normal school districts of the state, and has as its duties the administration of all educational matters at the state capital. The committee acts as the representative of the organization in all matters of education which are to be acted upon by the state legislature.

Mr. Cooper announced that no definite meeting time is set for the gathering of the committee, but that the members are at all time subject to a call when their action may be necessary. The committee carries a great amount of responsibility, and is practically the speaking organ of the County Superintendents organization.

Mr. Cooper stated today that aside from the current business of the meeting, little action was taken at the convention just ended. One of the most important resolutions passed, he said, was that which recommends that a state examination be required of all teachers for the county schools. He said that here-to-fore the graduates of the various high schools have been eligible to the positions as teachers of the county schools without any credentials other than their graduation certificate. If the resolution adopted by the convention is taken up before the legislature and becomes a law, every teacher will be required to pass a state examination before being permitted to teach in this state.

Prof. Ira Richardson, head of the State Normal school attended the convention at Jefferson City last Wednesday, and was the host to the nineteen superintendents of the Northwest Missouri District, at a dinner Wednesday night. Following the dinner Prof. Richardson delivered an address in which he told the guests of the work of vitalized agriculture which is being carried on at the State Normal school at this time.

According to Prof. Cooper, the idea of vitalized agriculture instruction in the [illegible] ining great favor a[illegible] of the State, and h[illegible] superintendents signi[illegible]ention of sending one or mo[illegible]ers to the State Normal school th[illegible] summer to receive instruction in the work, which will later be introduced in the respective schools.

Nodaway County is considered one of the pioneers in the vitalized agriculture movement in the United States, and as the idea is growing throughout the country at this time, increasing attention is being brought to the work here.

A BIG CELEBRATION

BOY SCOUTS OF MARYVILLE WILL AID IN PEACE CELEBRATION

TO HAVE "LIBERTY FIRE"

Plans Being Made for Mammoth Celebration Throughout the United States When Treaty Is Signed.

The Boy Scouts of Maryville are making plans for the coming "peace celebration" which is to be held the night when the peace terms are finally signed and although no official orders have been received here in regard to the part which the boys are to play in the ceremonies, Scout Master M. A. Peery announced today that the local troops will do their full bit in the big event.

Bonfires will be lighted all over the United States on the night of the signing of peace.

The 463,849 members of the Boy Scouts of America will carry out in this country the plan of Lieutenant-General Sir Robert Baden-Powell, the head of the British Boy Scouts, who has suggested that the millions of Boy Scouts the world over celebrate the signing of peace by appropriate ceremonials and the burning of enormous fires.

This world-round chain of bonfires will mark the cleansing of the business will mark the cleansing of the nations from war, and the light of new hope which shines from land to land and sea to sea today, because of the great victory which has just been won in the name of Liberty, and democracy.

The Boy Scouts of America, who are dedicated to the ideals for which the war was fought and won, and no less dedicated to peace, good-will and human brotherhood, welcome the opportunity to fitly memorialize the great moment when peace again shall rule the world and when the new democracy, with its clearer vision and greater freedom for all peoples, is ushered in.

It is planned that every one of the 16,619 troops of the Boy Scouts in America shall join in the celebration, which will take place the evening of the day on which the treaty of peace is signed.

Preparations for the bonfire will be made in advance. Scouts in each city and town will be detailed to collect boxes, excelsior, wood, old barrels, etc., and to see that no damage is done to fences or other property.

General Baden-Powell has sent a letter to Chief Scout Executive James E. West in which he says: "If we had the whole of the Scouts in all countries engaged in this work on that night it would give a common task such as would bring them together in spirit, and tend to strengthen the bond which is already being forged."

TANK TO SHOW HERE

ARRIVE IN MARYVILLE THURSDAY FOR VICTORY LOAN DRIVE

'TREAT 'EM ROUGH' STUNT

Chairman Ford Announces Personnel of Committtee for Polk Township. Helmets for Workers.

A 'baby tank' or whippett will visit Maryville Thursday in connection with the Victory Liberty Loan drive, it was announced today, and will put on a demonstration of the various maneuvers accomplished on the battle fields of France.

According to Chairman M. E. Ford, head of the Loan committee for Polk township, the tank will arrive at Burlington Junction tomorrow from Omaha and if it arrives in time will give a demonstration at that place. It is to be driven overland to this city Thursday. The tank is manned by veterans of the battle fields, and will put on some of the "treat 'em rough" stunts which helped to put the Hun out of the running.

The entertainment committee of the Commercial Club is in charge of the demonstration and program which will be carried on here in connection with the appearance of the tank.

Chairman Ford last night announced the committee which is to be in charge of the Loan work in Polk township, consisting of the following: James B. Robinson, Joe Jackson, Jr., George R. Ellison and George B. Baker.

He announced that the drive for this township during the remainder of the week would be put on through the banks and that voluntary subscriptions would be taken. He stated that next week the various solicitors for the township would be appointed and would make the canvas in case the district was not over the top by that time.

In connection with the Victory Liberty Loan, Chairman C. E. Donlin has received a large supply of German helmets which are to be given out to the workers of this county.

The helmets are the real German headdress worn by the German warriors of the 16th Imperial German guards, the Kaiser's favorite division, and were captured by the American Doughboys in actual conflict with the Huns. According to the story told in connection with the helmets, the troops from which they were captured passed in review before the former German emperor just twenty-four hours before they were taken by the Yanks.

The helmets are stored at Hopkins, and will be given to the Loan workers at the conclusion of the drive.

S. S. CONVENTION IN SESSION TODAY

DESPITE BAD ROADS MANY DELEGATES ARE ATTENDING

MISS BEARD TO SPEAK

Banquet to Be Held Tonight at 6:30 o'Clock—Separate Conferences Held Tonight.

Although the heavy condition of the roads has prevented many of the delegates from attending the annual County-wide convention of the Nodaway County Sunday School Association in this city today, a good representation arrived throughout the morning and a good attendance is assured.

Miss Harriet Edna Beard of St. Louis State Superintendent of the Children's Division of the Missouri State Sunday School Association arrived this morning and will be the principle speaker at the session this afternoon and at the banquet and session tonight. Miss Beard has had considerable experience in the teaching of the younger children from 12 years up, and will be able to give some very interesting facts in regard to the newer methods of juvenile instruction in the Sunday school.

An Easter party has been scheduled for this afternoon following the completion of the program which is to be followed by a banquet at 6:30 o'clock at the Presbyterian church in honor of Miss Beard. The supper will be served by the New Era class, assisted by the Westminster Guild. The tickets for the dinner are being sold at 50 cents each, and covers have been laid for about 125 guests.

At 7:30 o'clock tonight, the conference will meet again in the Baptist church for the Departmental conferences, and at 8:30 o'clock they will meet in the church auditorium where an address will be made to the entire conference by Miss Beard.

At the afternoon session today Mrs. I. E. Tulloch will deliver an address on "The Duties of the District Superintendent" which will be followed by a talk on "Forward Steps in the State Work," by Eva M. Davis.

G. B. Roseberry will speak on "Use the Goal Chart." Miss Beard will take as her subject this afternoon "The Artist Teacher," and will describe the work which may be accomplished by the Sunday schcool teacher in presenting interesting illustrations of the points which she wishes to bring before the youthful minds of her class.

Mrs. Edward T. Dale will preside at the Cradle Roll Conference tonight and addresses will be made at this meeting by Mrs. Leo Strong on "Standards" and by Miss Beard on "The Federation of Cradle Roll Superintendents." A general discussion has also been planned for this meeting.

The Beginners Conference will be in charge of Miss Myrtle Hogue who will also make a talk on the building program for the coming year. Miss Beard will talk on the value of parents training, and Miss Florence Young will make a short talk on the need of music in the beginners departments. Mrs. J. D. England will speak on the subject of the "Graded Lessons."

Other conferences which will be held tonight are the Primary Conference in charge of Mrs. Harry Todd; Junior Conference, Miss Dessa Gault; Young People's Conference, Mr. O. G. Null.

The Adult conference will be in charge of J. A. Speer and the Township and County Officers Conference, G. B. Roseberry. The final address of the evening will be given by Miss Beard who will speak on the "The New Era and the Child."

"FRONT AND CENTER" MEN

Big Doin's at County Clerk's Office—Form Nodaway Chapter of the American Legion.

'Tenshun— Squads, RIGHT!

Don't get excited, Jack! It's not the old drill ground with the "shave-tail" bawling out orders to the bunch, but just a little reminder that tonight is one of the red letter ones for the man who has been in service, and a big meeting will be held at 7:30 o'clock at County Clerk Fred Smith's office to organize a Nodaway chapter of the American Legion.

They'll all be there Bo! and if you've been one of the wearers of the khaki or blue you'd better get in the bunch.

PHONE WORKERS ARE STRIKING

Martial Law Proclaimed at Indianapolis—Citizens Storm Exchange Sympathy Strike at Terre Haute

Indianapolis, April 29.—Martial law has been proclaimed at Linton, Ind., by the Governor as a result of the riot there last night when five hundred citizens stormed the local telephone office and compelled strike-breaking girl telephone operators to leave and flee for safety.

Terre Haute, April 29.—Ten thousand union miners in the eleventh district of the United Mine Workers Union refused to go to work this morning because of the operation of telephone lines at Linton by girls strike-breakers.

HUSBAND AND WIFE VICTIMS

Mrs. Clem Banks, Skidmore, Wife of Man Who Died Sunday Also Dies. Leave Two Children.

Mrs. Clem Banks, wife of Clem Banks, Skidmore, who died of pneumonia Sunday night, succumbed to the same disease this morning, death occurring about two o'clock. Pneumonia followed an attack of influenza.

A double funeral was held this afternoon at the home near Skidmore. The funeral was in charge of the Skidmore lodge of the Modern Woodmen of America, and burial was in the Skidmore cemetery.

Mrs. Banks was about 30 years old, her husband 35. Two children are left, Blanche 11, and Velma 9, both of whom are suffering from influenza but neither case is expected to prove serious.

There are several other cases of influenza in Skidmore and vicinity, but it is felt there is no cause for alarm at this time.

JAP CLAIMS BEFORE "BIG THREE" MEET

ITALY'S CLAIMS FOR FIUME STILL BIG PROBLEM

HUN DELEGATES ARRIVE

Bourgeois, French Delegate, Characterizes League of Nations "a House Open to Every Wind."

Paris, April 29.—A flat refusal to give up their demands to Chinese territory of Chantung Penisula was made by the Japanese peace delegates to President Wilson in a conference held just before a meeting of the "big three." The Japanese urged that Wilson agree to their claims, regardless of the opposition of the Chinese. American delegates believe that the President is in such a position that his hands are tied.

Paris, April 29.—With the League of Nations constitution out of the way "the Big Three," President Wilson and Premiers Lloyd George and Clemenceau planned to give final hearing to the Japanese territorial claims this afternoon. The Japanese land claims in China and Italy's demand for Fiume constitute the last big obstacle facing the conference.

The whole German peace delegation is expected to be at Versailles by tonight, about thirty in the delegation having arrived yesterday.

Paris, April 29.—The League of Nations constitution which was adopted without further amendment by the plenary session yesterday was likened today by Leon Bourgeois who is the League of Nations expert in the French peace delegation to "a house that is open to every wind." He says that "supports are needed."

FIUME PROBLEM AGGRAVATES.

King Victor Emmanuel Declares Support of People in Fiume Claims—Residents talk "Annexation."

Paris, April 29.—Just before the Italian parliament convened in Rome today to consider the momentous Fiume problem, King Victor Emmanuel declared he was heart and soul with the Italian people on whatever they wanted according to a Rome dispatch to the Matin.

Paris, April 29.—The Italian situation was further aggravated today by the reported action of the Italian residents of Fiume voluntarily announcing the annexation" of the city of Italy.

Rome, April 29.—Momentous session of the Italian parliament is to be decided the nation's course on Fiume today.

To The Loyal and Patriotic People of Polk Township

For the Fifth and last time the Government is calling on the people for a loan. The quota of Polk township is $429,350.00 and it will be necessary for every one to do his or her part if the money is raised. Your Government appreciates the loyal, patriotic and generous manner in which you have responded to its former calls for help and expects you to respond just as freely and willingly this time. It is the hope of the committee that it will not be necessary to make an intensive canvass of the township to raise this loan. All who can help with this loan and are willing to do their part, are asked to do it at once. It will be so much more satisfactory to the Government, to the people and to this committee to have the money loaned without the annoyance of a soliciting campaign. If a canvass is necessary, however, it will be made.

The committee wants every one to have an opportunity, not only to perform a patriotic duty, but to make the best investment that has ever been offered to the public. All of this week will be given to voluntary subscriptions. Please buy your bonds this week and save yourself the annoyance and the committee the trouble of seeing you and asking you to buy your quota of bonds. Help us to "go over the top" by Saturday night. Lets "Finish the job" and bring the boys home.

Very Respectfully,

M. E. FORD,
Chairman Polk Township Com.

The New Tax
and How It Works

On May 1, the so-called "Luxury Tax" goes into effect, providing that on various articles which sell above a stipulated price, the customer be required to pay a tax of 10 per cent on the amount over the stipulated price.

For instance—a man comes into this store and buys a shirt for $7.50 Now, the law requires that a tax be paid on all shirts selling for more than $3. The man therefore pays 10 per cent on $4.50 (the amount above the limit $3 limit), which is 45c. Thurs the shirt costs him $7.95.

The law requires, also, that the tax be paid by the customer and not by the merchant, so it is impossible for us to absorb the tax in the selling price.

This Tax Goes Into Effect Thursday

so buy what you have immediate use for before that time!

HERE IS A LIST OF ARTICLES WE CARRY WHICH ARE AFFECTED BY THE NEW LAW:

Hats in excess of	$ 5 each	Waistcoats	$5.00 each
Caps	$ 2 each	House Coats	$7.50 each
Neckwear	$ 2 each	Bath Robes	$7.50 each
Shirts	$ 3 each	Lounging Robes	$7.50 each
Silk Hose	$ 1 pair	Umbrellas	$4.00 each
Shoes	$10 pair		
Slippers	$10 pair		
Underwear	$ 5 garment		
Pajamas	$ 5 suit		
Nightshirts	$ 5 each		
Nightshirts	$ 5 each		

On all Jewelry and articles commonly classified as Jewelry there is a tax of 5 per cent on the selling price.

"YOUR BODYGUARD" - 30¢, 60¢, $1.20

A fan, several fraternal badges and a self starting window shade were among the "useful articles of clothing" received by one Red Cross Chapter. Imagine shipping a fan to a Siberian refugee.

Ninety-two American Red Cross hospital huts, with a total personnel of 274, were in operation in France at the beginning of the year. Most of the huts have stages and scenery, in addition to pianos, victrolas and games of all sorts. Special foods and sweets are also to be had at these sunshine stations. Ask your favorite overseas doughboy what he thinks of the huts.

General Pershing says his boys could use a good many more magazines than have been arriving overseas recently. Red Cross workers should see to it that there is a generous response to the General's request for more reading material.

LADY OVERCOMES USE OF MORPHINE

"Troubled about 10 years with what the doctors called gall stones, often I thought I would die before the doctor could get here, when he would give me a hypodermic of morphine and advise an operation. AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISONS from your body. This done, you can live to be a hundred and enjoy the good things of life with as much "pep" as you did when in the springtime of youth. Keep your body in good condition, that's the secret.

Watch the kidneys. They filter and purify the blood, all of which blood passes through them once every three minutes. Keep them clean and in proper working condition and you have nothing to fear. Drive the poisonous wastes and deadly uric acid accumulations from your system. Take GOLD MEDAL Haarlem Oil Capsules and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories at Haarlem, Holland.

They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them to develop into one of the strongest and hearthiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.

"PRETTY BOY" ACTS UGLY.

St. Louis, April 28.—"You are a pretty boy," James Garnett, a motorman told Chester Clark, a traffic cop, when the latter cautioned him, the motorman, about violating traffic rules. The cop disagreed and took Garnett to the cooler.

All Together.

She was much interested in prison reform and was visiting a large prison one day.

"Don't any of your friends come to see you on visiting days?" she asked of a big ruffian.

"No'm," responded the former burglar, "they're all here wit' me."

Of Interest To Our Patrons

We have installed a new water filtering tank of 6,500 gallons capacity. This will enable us to have the best and cleanest water obtainable. The condition of the water in the past has prevented us from keeping our work up to the standard, which we wanted. With this filtering tank installed, we can guarantee absolute satisfactory work.

The Facilities for Distribution of the The Standard Oil Company

(*Indiana*)

THE service which, at all times, the Standard Oil Company (Indiana) is prepared to render its patrons, rests securely upon a solid foundation of complete distribution.

To perfect a system which shall make every product manufactured by the Company instantly available to anyone, anywhere, any time, has been the goal toward which this Company has been working since the day of its organization.

As yet this ideal has not been achieved; but the system as it stands is conceded to be the most perfect of its kind in the world.

The present equipment for distribution, including grounds, buildings, storage tanks, motor trucks, wagons, etc., represents an investment of more than $30,000,000.

There are 27 main stations where complete stocks of all products are kept on hand. Supporting these are the bulk stations located at 2881 carefully selected points in 11 states. These stations are equipped with storage tanks having a combined capacity of 86,113,650 gallons of gasoline, 66,115,300 gallons of kerosene, and 4,300,000 gallons of lubricating oils.

It is necessary to carry this tremendous stock—total 156,528,950 gallons—at all times to insure quick, convenient service to the patrons of the Standard Oil Company (Indiana) wherever they may be, regardless of transportation difficulties or weather conditions.

To enable the Company to fulfill its obligations to patrons, and deliver to them the products they require, it is necessary to maintain a fleet of 3700 motor trucks and a caravan of 3500 horse-drawn wagons, either active or in reserve. These tank wagons are so organized that they, at regular intervals, can reach 75% of the homes in the territory at present served by this Company.

Supplementing the wagons, an equipment of 530,000 iron barrels, representing an investment of more than $7,000,000, is kept in service to insure the safe delivery of oils and gasoline, even to those remote places where the dark-green tank wagon never has penetrated.

For the convenience of the motoring public, a chain of 1300 service stations has been organized and many others are in the course of construction. These stations are prepared at all times to supply the motorist with his requirements of gasoline and lubricating oils in any quantity and at the lowest prices.

This, in outline, is the distribution system upon which the service of the Standard Oil Company (Indiana) rests.

It is the hope of the Company that the time is not far distant when no person in the territory served will be more than five or six miles from a Standard Oil Company (Indiana) service station if he lives in the country, or more than one mile away if he lives in a town or city.

COOPER RETURNS FROM CONVENTION

APPOINTED A MEMBER OF EXECUTIVE COMMITTEE

RICHARDSON ATTENDS

Vitalized Agriculture Gains Interest Among Representatives From Throughout the State.

County Superintendent of Schools Bert Cooper returned this morning from Jefferson City, where he has been attending the annual convention of the County Superintendent of Schools of Missouri, for the past week.

While at the convention, Mr. Cooper was appointed a member of the executive committee of the organization. The committee is composed of a representative from each of the five normal school districts of the state, and has as its duties the administration of all educational matters at the state capital. The committee acts as the representative of the organization in all matters of education which are to be acted upon by the state legislature.

Mr. Cooper announced that no definite meeting time is set for the gathering of the committee, but that the members are at all time subject to a call when their action may be necessary. The committee carries a great amount of responsibility, and is practically the speaking organ of the County Superintendents organization.

Mr. Cooper stated today that aside from the current business of the meeting, little action was taken at the convention just ended. One of the most important resolutions passed, he said, was that which recommends that a state examination be required of all teachers for the county schools. He said that here-to-fore the graduates of the various high schools have been eligible to the positions as teachers of the county schools without any credentials other than their graduation certificate. If the resolution adopted by the convention is taken up before the legislature and becomes a law, every teacher will be required to pass a state examination before being permitted to teach in this state.

Prof. Ira Richardson, head of the State Normal school attended the convention at Jefferson City last Wednesday, and was the host to the nineteen superintendents of the Northwest Missouri District, at a dinner Wednesday night. Following the dinner Prof. Richardson delivered an address in which he told the guests of the work of vitalized agriculture which is being carried on at the State Normal school at this time.

According to Prof. Cooper, the idea of vitalized agriculture instruction in the ...ining great favor a... ... of the State, and h... ...tention of sending one or mo... ...ers to the State Normal school this summer to receive instruction in the work, which will later be introduced in the respective schools.

Nodaway County is considered one of the pioneers in the vitalized agriculture movement in the United States, and as the idea is growing throughout the country at this time, increasing attention is being brought to the work here.

A BIG CELEBRATION

BOY SCOUTS OF MARYVILLE WILL AID IN PEACE CELEBRATION

TO HAVE "LIBERTY FIRE"

Plans Being Made for Mammoth Celebration Throughout the United States When Treaty Is Signed.

The Boy Scouts of Maryville are making plans for the coming "peace celebration" which is to be held the night when the peace terms are finally signed and although no official orders have been received here in regard to the part which the boys are to play in the ceremonies, Scout Master M. A. Peery announced today that the local troops will do their full bit in the big event.

Bonfires will be lighted all over the United States on the night of the signing of peace.

The 463,849 members of the Boy Scouts of America will carry out in this country the plan of Lieutenant-General Sir Robert Baden-Powell, the head of the British Boy Scouts, who has suggested that the millions of Boy Scouts the world over celebrate the signing of peace by appropriate ceremonials and the burning of enormous fires.

This world-round chain of bonfires will mark the cleansing of the business will mark the cleansing of the nations from war, and the light of new hope which shines from land to land and sea to sea today, because of the great victory which has just been won in the name of Liberty, and democracy.

The Boy Scouts of America, who are dedicated to the ideals for which the war was fought and won, and no less dedicated to peace, good-will and human brotherhood, welcome the opportunity to fitly memorialize the great moment when peace again shall rule the world and when the new democracy, with its clearer vision and greater freedom for all peoples, is ushered in.

It is planned that every one of the 16,619 troops of the Boy Scouts in America shall join in the celebration, which will take place the evening of the day on which the treaty of peace is signed.

Preparations for the bonfire will be made in advance. Scouts in each city and town will be detailed to collect boxes, excelsior, wood, old barrels, etc., and to see that no damage is done to fences or other property.

General Baden-Powell has sent a letter to Chief Scout Executive James E. West in which he says: "If we had the whole of the Scouts in all countries engaged in this work on that night it would give a common task such as would bring them together in spirit, and tend to strengthen the bond which is already being forged."

UNION SERVICES NEXT SUNDAY

Protestant Churches of the City to Unite in Welcome to New Christian Minister

The Prostestant churches of the city will unite in a union service at the First Christian Church next Sunday night as a welcome for Rev. R. E. Snodgrass, who comes Sunday from Savannah to assume the pastorate of the Christian Church.

The sermon will be given by Rev. Snodgrass, and the other ministers of the city will have a part in the program. The address of welcome to the new minister will probably be given by Dr. S. A. Coile of the First Presbyterian Church.

TANK TO SHOW HERE

ARRIVE IN MARYVILLE THURSDAY FOR VICTORY LOAN DRIVE

'TREAT 'EM ROUGH' STUNT

Chairman Ford Announces Personnel of Committtee for Polk Township. Helmets for Workers.

A 'baby tank' or whippett will visit Maryville Thursday in connection with the Victory Liberty Loan drive, it was announced today, and will put on a demonstration of the various maneuvers accomplished on the battle fields of France.

According to Chairman M. E. Ford, head of the Loan committee for Polk township, the tank will arrive at Burlington Junction tomorrow from Omaha and if it arrives in time will give a demonstration at that place. It is to be driven overland to this city Thursday. The tank is manned by veterans of the battle fields, and will put on some of the "treat 'em rough" stunts which helped to put the Hun out of the running.

The entertainment committee of the Commercial Club is in charge of the demonstration and program which will be carried on here in connection with the appearance of the tank.

Chairman Ford last night announced the committee which is to be in charge of the Loan work in Polk township, consisting of the following: James B. Robinson, Joe Jackson, Jr., George R. Ellison and George B. Baker.

He announced that the drive for this township during the remainder of the week would be put on through the banks and that voluntary subscriptions would be taken. He stated that next week the various solicitors for the township would be appointed and would make the canvas in case the district was not over the top by that time.

In connection with the Victory Liberty Loan, Chairman C. E. Donlin has received a large supply of German helmets which are to be given out to the workers of this county.

The helmets are the real German headdress worn by the German warriors of the 16th Imperial German guards, the Kaiser's favorite division, and were captured by the American Doughboys in actual conflict with the Huns. According to the story told in connection with the helmets, the troops from which they were captured passed in review before the former German emperor just twenty-four hours before they were taken by the Yanks.

The helmets are stored at Hopkins, and will be given to the Loan workers at the conclusion of the drive.

S. S. CONVENTION IN SESSION TODAY

DESPITE BAD ROADS MANY DELEGATES ARE ATTENDING

MISS BEARD TO SPEAK

Banquet to Be Held Tonight at 6:30 o'Clock—Separate Conferences Held Tonight.

Although the heavy condition of the roads has prevented many of the delegates from attending the annual County-wide convention of the Nodaway County Sunday School Association in this city today, a good representation arrived throughout the morning and a good attendance is assured.

Miss Harriet Edna Beard of St. Louis State Superintendent of the Children's Division of the Missouri State Sunday School Association arrived this morning and will be the principle speaker at the session this afternoon and at the banquet and session tonight. Miss Beard has had considerable experience in the teaching of the younger children from 12 years up, and will be able to give some very interesting facts in regard to the newer methods of juvenile instruction in the Sunday school.

An Easter party has been scheduled for this afternoon following the completion of the program which is to be followed by a banquet at 6:30 o'clock at the Presbyterian church in honor of Miss Beard. The supper will be served by the New Era class, assisted by the Westminster Guild. The tickets for the dinner are being sold at 50 cents each, and covers haye been laid for about 125 guests.

At 7:30 o'clock tonight, the conference will meet again in the Baptist church for the Departmental conferences, and at 8:30 o'clock they will meet in the church auditorium where an address will be made to the entire conference by Miss Beard.

At the afternoon session today Mrs. I. E. Tulloch will deliver an address on "The Duties of the District Superintendent" which will be followed by a talk on "Forward Steps in the State Work," by Eva M. Davis.

G. B. Roseberry will speak on "Use the Goal Chart." Miss Beard will take as her subject this afternoon "The Artist Teacher," and will describe the work which may be accomplished by the Sunday schcool teacher in presenting interesting illustrations of the points which she wishes to bring before the youthful minds of her class.

Mrs. Edward T. Dale will preside at the Cradle Roll Conference tonight and addresses will be made at this meeting by Mrs. Leo Strong on "Standards" and by Miss Beard on "The Federation of Cradle Roll Superintendents." A general discussion has also been planned for this meeting.

The Beginners Conference will be in charge of Miss Myrtle Hogue who will also make a talk on the building program for the coming year. Miss Beard will talk on the value of parents training, and Miss Florence Young will make a short talk on the need of music in the beginners departments. Mrs. J. D. England will speak on the subject of the "Graded Lessons."

Other conferences which will be held tonight are the Primary Conference in charge of Mrs. Harry Todd; Junior Conference, Miss Dessa Gault; Young People's Conference, Mr. O. G. Null.

The Adult conference will be in charge of J. A. Speer and the Township and County Officers Conference, G. B. Roseberry. The final address of the evening will be given by Miss Beard who will speak on the "The New Era and the Child."

"FRONT AND CENTER" MEN

Big Doin's at County Clerk's Office—Form Nodaway Chapter of the American Legion.

'Tenshun— Squads, RIGHT!

Don't get excited, Jack! It's not the old drill ground with the "shave-tail" bawling out orders to the bunch, but just a little reminder that tonight is one of the red letter ones for the man who has been in service, and a big meeting will be held at 7:30 o'clock at County Clerk Fred Smith's office to organize a Nodaway chapter of the American Legion.

They'll all be there Bo! and if you've been one of the wearers of the khaki or blue you'd better get in the bunch.

PHONE WORKERS ARE STRIKING

Martial Law Proclaimed at Indianapolis—Citizens Storm Exchcange Sympathy Strike at Terre Haute

Indianapolis, April 29.—Martial law has been proclaimed at Linton, Ind., by the Governor as a result of the riot there last night when five hundred citizens stormed the local telephone office and compelled strike-breaking girl telephone operators to leave and flee for safety.

Terre Haute, April 29.—Ten thousand union miners in the eleventh district of the United Mine Workers Union refused to go to work this morning because of the operation of telephone lines at Linton by girls strike-breakers.

HUSBAND AND WIFE VICTIMS

Mrs. Clem Banks, Skidmore, Wife of Man Who Died Sunday Also Dies. Leave Two Children.

Mrs. Clem Banks, wife of Clem Banks, Skidmore, who died of pneumonia Sunday night, succumbed to the same disease this morning, death occurring about two o'clock. Pneumonia followed an attack of influenza.

A double funeral was held this afternoon at the home near Skidmore. The funeral was in charge of the Skidmore lodge of the Modern Woodmen of America, and burial was in the Skidmore cemetery.

Mrs. Banks was about 30 years old, her husband 35. Two children are left, Blanche 11, and Velma 9, both of whom are suffering from influenza but neither case is expected to prove serious.

There are several other cases of influenza in Skidmore and vicinity, but it is felt there is no cause for alarm at this time.

Mr. Oakerson was connected with the schools in this county for a considerable period, and his success at Jeff City will be good news to his many friends here.

Here For Funeral.

Mrs. Nick Draut, Mrs. John Billiteer and Mrs. Kate Korando of St. Joseph arrived in Maryville last night to attend the funeral service of their niece, Mrs. Harry Ledgerwood, who died Saturday night. The funeral services were held at St. Mary's Church this morning. The pallbearers were B. F. Dougan, Francis Bluel, Fred Smith, Gus Romasser, John Shouley, Anselm Schumacher.

JAP CLAIMS BEFORE "BIG THREE" MEET

ITALY'S CLAIMS FOR FIUME STILL BIG PROBLEM

HUN DELEGATES ARRIVE

Bourgeois, French Delegate, Characterizes League of Nations "a House Open to Every Wind."

Paris, April 29.—A flat refusal to give up their demands to Chinese territory of Chantung Penisula was made by the Japanese peace delegates to President Wilson in a conference held just before a meeting of the "big three." The Japanese urged that Wilson agree to their claims, regardless of the opposition of the Chinese. American delegates believe that the President is in such a position that his hands are tied.

Paris, April 29.—With the League of Nations constitution out of the way "the Big Three," President Wilson and Premiers Lloyd George and Clemenceau planned to give final hearing to the Japanese territorial claims this afternoon. The Japanese land claims in China and Italy's demand for Fiume constitute the last big obstacle facing the conference.

The whole German peace delegation is expected to be at Versailles by tonight, about thirty in the delegation having arrived yesterday.

Paris, April 29.—The League of Nations constitution which was adopted without further amendment by the plenary session yesterday was likened today by Leon Bourgeois who is the League of Nations expert in the French peace delegation to "a house that is open to every wind." He says that "supports are needed."

FIUME PROBLEM AGGRAVATES.

King Victor Emmanuel Declares Support of People in Fiume Claims—Residents talk "Annexation."

Paris, April 29.—Just before the Italian parliament convened in Rome today to consider the momentous Fiume problem, King Victor Emmanuel declared he was heart and soul with the Italian people on whatever they wanted according to a Rome dispatch to the Matin.

Paris, April 29.—The Italian situation was further aggravated today by the reported action of the Italian residents of Fiume voluntarily announcing the annexation" of the city of Italy.

Rome, April 29.—Momentous session of the Italian parliament is to be decided the nation's course on Fiume today.

To The Loyal and Patriotic People of Polk Township

For the Fifth and last time the Government is calling on the people for a loan. The quota of Polk township is $429,350.00 and it will be necessary for every one to do his or her part if the money is raised. Your Government appreciates the loyal, patriotic and generous manner in which you have responded to its former calls for help and expects you to respond just as freely and willingly this time. It is the hope of the committee that it will not be necessary to make an intensive canvass of the township to raise this loan. All who can help with this loan and are willing to do their part, are asked to do it at once. It will be so much more satisfactory to the Government, to the people and to this committee to have the money loaned without the annoyance of a soliciting campaign. If a canvass is necessary, however, it will be made.

The committee wants every one to have an opportunity, not only to perform a patriotic duty, but to make the best investment that has ever been offered to the public. All of this week will be given to voluntary subscriptions. Please buy your bonds this week and save yourself the annoyance and the committee the trouble of seeing you and asking you to buy your quota of bonds. Help us to "go over the top" by Saturday night. Lets "Finish the job" and bring the boys home.

Very Respectfully,

M. E. FORD,
Chairman Polk Township Com.

The New Tax
and How It Works

On May 1, the so-called "Luxury Tax" goes into effect, providing that on various articles which sell above a stipulated price, the customer be required to pay a tax of 10 per cent on the amount over the stipulated price.

For instance—a man comes into this store and buys a shirt for $7.50 Now, the law requires that a tax be paid on all shirts selling for more than $3. The man therefore pays 10 per cent on $4.50 (the amount above the limit $3 limit), which is 45c. Thurs the shirt costs him $7.95.

The law requires, also, that the tax be paid by the customer and not by the merchant, so it is impossible for us to absorb the tax in the selling price.

This Tax Goes Into Effect Thursday

so buy what you have immediate use for before that time!

HERE IS A LIST OF ARTICLES WE CARRY WHICH ARE AFFECTED BY THE NEW LAW:

Hats in excess of	$ 5 each	Waistcoats	$5.00 each
Caps	$ 2 each	House Coats	$7.50 each
Neckwear	$ 2 each	Bath Robes	$7.50 each
Shirts	$ 3 each	Lounging Robes	$7.50 each
Silk Hose	$ 1 pair	Umbrellas	$4.00 each
Shoes	$10 pair		
Slippers	$10 pair		
Underwear	$ 5 garment		
Pajamas	$ 5 suit		
Nightshirts	$ 5 each		
Nightshirts	$ 5 each		

On all Jewelry and articles commonly classified as Jewelry there is a tax of 5 per cent on the selling price.

LADY OVERCOMES USE OF MORPHINE

"Troubled about 10 years with what the doctors called gall stones, often I thought I would die before the doctor could get here, when he would give me a hypodermic of morphine and advise an operation. A neighbor told me about Mayr's Wonderful Remedy for stomach trouble, and since taking the first dose 2 years ago I have not had an attack nor needed a hypodermic." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.—Maryville Drug Co., and Druggists Everywhere.—Adv.

The Facilities for Distribution of the The Standard Oil Company

(*Indiana*)

THE service which, at all times, the Standard Oil Company (Indiana) is prepared to render its patrons, rests securely upon a solid foundation of complete distribution.

To perfect a system which shall make every product manufactured by the Company instantly available to anyone, anywhere, any time, has been the goal toward which this Company has been working since the day of its organization.

As yet this ideal has not been achieved; but the system as it stands is conceded to be the most perfect of its kind in the world.

The present equipment for distribution, including grounds, buildings, storage tanks, motor trucks, wagons, etc., represents an investment of more than $30,000,000.

There are 27 main stations where complete stocks of all products are kept on hand. Supporting these are the bulk stations located at 2881 carefully selected points in 11 states. These stations are equipped with storage tanks having a combined capacity of 86,113,650 gallons of gasoline, 66,115,300 gallons of kerosene, and 4,300,000 gallons of lubricating oils.

It is necessary to carry this tremendous stock—total 156,528,950 gallons—at all times to insure quick, convenient service to the patrons of the Standard Oil Company (Indiana) wherever they may be, regardless of transportation difficulties or weather conditions.

To enable the Company to fulfill its obligations to patrons, and deliver to them the products they require, it is necessary to maintain a fleet of 3700 motor trucks and a caravan of 3500 horse-drawn wagons, either active or in reserve. These tank wagons are so organized that they, at regular intervals, can reach 75% of the homes in the territory at present served by this Company.

Supplementing the wagons, an equipment of 530,000 iron barrels, representing an investment of more than $7,000,000, is kept in service to insure the safe delivery of oils and gasoline, even to those remote places where the dark-green tank wagon never has penetrated.

For the convenience of the motoring public, a chain of 1300 service stations has been organized and many others are in the course of construction. These stations are prepared at all times to supply the motorist with his requirements of gasoline and lubricating oils in any quantity and at the lowest prices.

This, in outline, is the distribution system upon which the service of the Standard Oil Company (Indiana) rests.

It is the hope of the Company that the time is not far distant when no person in the territory served will be more than five or six miles from a Standard Oil Company (Indiana) service station if he lives in the country, or more than one mile away if he lives in a town or city.

Over 6,000 Miles
ON ONE OF KRAMER'S REBUILT TIRES.

We took off one of our 30x3½ plain tread rebuilt casings on April 24th that had been on the left rear wheel of a Ford Roadster since June, 1918.

This tire, an exact duplicate of the one illustrated here, delivered over 6000 miles of uninterrupted service.

We have this worn tire, and would be pleased to have you examine it—the tread is worn off in the center, but the heavy cushion gum and breaker strip that we use in all our rebuilding, still holds the tread along the sides firmly riveted to the carcass.

We sell this tire in plain tread for $13.25
In ribbed or non-skid for $15.50
